
Faculty

Sandra Lowery, RN, BSN, CRRN, CCM, CNLCP is President of CCMI Associates, an independent case management firm. Sandi has worked as an independent case manager, case management consultant, and trainer for the past 26 years, working nationally for both payers and providers. She is on the editorial board of *Professional Case Management* and has served as an expert for legal cases alleging case manager malpractice. In 1995, she was the recipient of CMSA's Case Manager of the Year award. Sandi served on the CMSA Board for 9 years and was the 2000-2001 President.

Continuing Education Credit

Nurses and Indiana social workers will receive 14.25 contact hours.

This continuing nursing education activity was approved by American Association of Occupational Health Nurses, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

CCMI Associates is an approved CE provider by the California BRN CEP#14561.

As an accredited university, USI is an approved provider of continuing nursing education for social workers, marriage and family therapists, and mental health counselors, as well as psychologists licensed in Indiana.

Course Objectives

- ◆ Obtain knowledge of concepts related to case management practice in addition to the essential knowledge areas for case management practice as identified by the CCM Commission and national standards
- ◆ Describe the process for the CCM credential
- ◆ Gain insight and resources for any further self-study needs for the CCM exam

Course Description

This course is designed to provide the practicing case manager with information to assist them in preparing for the CCM exam. The content is also appropriate for those who are seeking a basic course in case management practice

The content is based on feedback from course attendees as well as CCMC's list of content areas and is updated every 4 months. The course includes:

- A 300 page course manual, covering the content of the course plus resources for further self-study
- Overview of the CCM process and exam
- Intensives in core concepts, public benefits, and workers' compensation
- 120+ sample exam questions
- Self-assessment design
