Personal Information

I am married with 4 step-children that range in age from 17 – 34. On June 5, 2007, my husband and I became the proud parents of twins! Their names are Colin and Katie, and they are running and climbing on everything. The pregnancy was easier than keeping up with toddlers. We also have a Jack Russel Terrier named Sadie.

I enjoy gardening and have completed the Purdue University Master Gardener Program. I also enjoy reading and traveling, and I am active in Methodist Temple Church.
