---

### **SIGMA THETA TAU INTERNATIONAL**

### **OMICRON PSI SMALL RESEARCH GRANT**

**PURPOSE:** The purpose of the Omicron Psi Small Research Grant is to support and encourage members to contribute to the advancement of nursing through research. The focus of the grant is promotion of nursing scholarship and practice-based research.

**ELIGIBILITY CRITERIA:** The eligibility requirement for this grant include

1. One applicant on the research team must be a member of the Omicron Psi chapter.
2. One applicant must hold a baccalaureate or higher degree in nursing and/or nursing students enrolled in a higher degree program in nursing with direct supervision of a qualified faculty meeting applicant criteria.
3. The applicant must have submitted a complete research grant application form and signed a Omicron Psi chapter search agreement.

**RESEARCH FUNDING:**

1. Funds for this grant are provided by Omicron Psi chapter of Sigma Theta Tau International. The total funds available for grants is \$1,000.
2. Allocation of funds is based on the quality of the proposed research and the applicant's research budget.
3. A favorable decision by the Research Committee precedes a recommendation to the Board of Directors.

**APPLICATION DEADLINE: DECEMBER 1**

Deadline for submission of grant proposals is December 1st with notification of funding completed by the end of January.

An application for this grant or any questions regarding application should be directed to Dr. Ann White.

**SUBMISSIONS SHOULD BE SENT TO:**
